JET

I don't know what happened to you, but if you want to kill Max in person, my master can help you to do so. But, let me ask you one more time, are you sure you want to kill Max? Since you were working for him and followed his order.

JIM drinks all the wine on hand and turns around to the priest.

JIM

I will give everything you need.
Let me join your organization.
Taking his head is the only I want.

JET

Fine, we need to make the plan step by step. My people will contact you later this week. Keep in touch. I hope you know that overthrowing the new emperor is not a easy thing, it takes time.

JIM

Where are we going? You said the final battle has come.

JET

you need to see our support.

JIM

Who is he?

JET

Before Max joins the army, he was a
dissolute man, but after he joins
the army, Max gives up everything
to pursue his dreams, including his
own woman.

JIM

So?

JET

They have a kid, but he hated his
father abandon him and his mother.
So he also wants to overthrow his
father.

While Jim and Jet talk, they enter a light, big room.

The leader of the new rebellion waits for them.

LOGAN

It is nice to see you gentleman,
the final hour has come, thanks for
your hard work for 10 years. We got
support from different class of
people. I promise you that I will
not be a person like my father
after I get power. Before that, is
there something you need?

JIM

Give me a new squad, named them as
Ghost In Heaven, I will take them
to kill the emperor.

LOGAN

Is that all? I hope the revenge did
not make you lose your mind.

JIM

My goal is clear, find him and kill
him in his palace.

LOGAN

So be it, so it is time to fight.
Jet, tell everyone in the country.
The time has come.

JET

Of course. Jim, there is a squad for you, they will follow your orders.

JIM

Thanks old friend, I will be back.

Jim's squad is like a dagger straight into the heart of the empire. Of course, the emperor's troops are also elites. Jim entered the palace and saw Max sitting on the throne. Forest wants to protect Max, but he is stopped by Max.

MAX

Enough, Forest, this is my grudge, I will take it by myself.

FOREST

Fine.

JIM

Max----! You need to pay for what you have done.

MAX

All I do was for revenge, just like what you doing now. All my family were killed without reasons.

JIM

How about these innocent people you killed. They also have families, Haven't you regretted it?

MAX

I do what I must do. Enough words. Let's end this.

Jim and Max scuffled, and when Jim tried to strangle Max, Jim let's go.

MAX (CONT'D)

Why? You have chance to kill me. Why do you let me go.

JIM

That's enough, now I realize that all I want is justice instead of revenge. Logan is right, Revenge makes me out of mind.

At this time, the gate of the palace breaks open and the soldiers of the rebel army slowly entered the palace. Logan and Jet walk in front of them.

MAX

I hope you are right.

JIM

This is my last request, Logan, I want him be judged because he needs it.

LOGAN

Finally, you did well. And I will take him to court.

JIM

Good, now I need to take a rest.

Jim doesn't have to run away. He becomes the sheriff of his hometown again, and we also have reason to believe that the new emperor Logan will lead us to a bright future.
